RESPONSE TO ORDER TO SHOW CAUSE

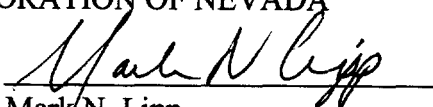

Renda Broadcasting Corporation of Nevada ("Renda"), licensee of Station KBEZ(FM), Tulsa, Oklahoma, and Station KOMA(FM), Oklahoma City, Oklahoma, by its counsel, hereby submits its response to the *Order to Show Cause* released October 15, 2004. 19 FCC Rcd 19708. The *Order to Show Cause* informed Renda that Charles Crawford filed a Petition for Rule Making requesting, *inter alia*, (i) the allotment of Channel 228A at Wetumka, Oklahoma, (ii) the reclassification of the license of Station KBEZ(FM) to specify Channel 225C0, and (iii) the reclassification of the license of Station KOMA(FM) to specify Channel 223C0. In the *Order to Show Cause*, the Commission notes that Stations KBEZ(FM) and KOMA(FM) are currently operating at an antenna height above average terrain ("HAAT") that is below the minimum of 451 meters for Class C facilities set forth in the *Second Report and Order* in MM Docket No. 98-93. Pursuant to Note 4 of Section 73.3573 of the Commission's Rules, Renda is entitled to an opportunity to express its intention to file an application to increase the HAAT of Stations KBEZ(FM) and KOMA(FM) to at least 451 meters. The date set forth in the *Order to Show Cause* for expressing such intention is November 29, 2004. Therefore, Renda hereby notifies the

Commission that it intends to file minor change applications within 180 days to increase the HAAT of Stations KBEZ(FM) and KOMA(FM) to at least the minimum for Class C facilities.

Respectfully submitted,

RENDA BROADCASTING
CORPORATION OF NEVADA
